Dear Parent / Carer

Notice
January Modules and Study Leave within the Federation Sixth Form

Year 12 and 13 students on both sites have been informed of the study leave arrangements for the January modules, they are as follows.

Students are expected to attend all lessons as normal, with the following exceptions.

1. If they have an exam in the afternoon they may have the morning off for revision.
2. If they have an exam in the morning they may have P5 of the previous day off to revise. This is not the case if the exam is on a Monday morning – i.e. they cannot have P5 off on Friday afternoon.

This is the case for all examinations including General Studies.

General studies is taken only by Year 13 students and the exams are on Tuesday 10th Jan 1.45-3.15 and Monday 16th Jan 9.15-10.45. As **ALL** Year 13 students are entered for General Studies (bar a small few), the **MORNING** of Tuesday 10th January will be a permitted Study Leave for the entire year group. No Year 13 lessons will therefore take place that morning.

Please note

Year 13 IB lessons continue as normal throughout the exam period.

Yours sincerely,

Claire Giblin
Assistant Principal, Federation Director of Sixth Form
